

# ELEMENTARY ART DISCIPLINES AND PROGRESSIVE LEVELS

At Cultivate, we recommend students complete all courses within a level (A, B, or C) before advancing to the next for the best chance of success. This progression ensures a strong foundation, allowing for cohesive artistic growth as students move from foundational techniques to advanced mastery. While not a strict requirement, following this path fosters confidence and creativity. Students can tailor their journey based on their goals, and our instructors are available to offer personalized guidance as needed.
